

Felicity Bergström Landscape painter

Studio Sale 2025

Welcome to my studio sale for 2025!

These paintings (except for a few watercolours) have all been painted this year en plein air from May to November. It has been a year of learning and developing. Each of these paintings represents time spent observing nature closely and in painting many of them I had small breakthroughs and milestones in my painting journey.

The prices I have kept very low as this is my first studio sale. So take advantage of that because they will only be going up from now on.

All prices exclude postage. Within New Zealand postage will be \$10 or less. For any international purchases I will calculate postage individually.

To purchase any pieces please reply to the newsletter you received or email me at felicity@felicitybergstrom.com and include the painting number and name of the piece.

I look forward to hearing from you.
